Judge Michael A. Young Peter

In the mobile Circuit Court

The Judge Michael A. ~~young~~ young peter
 in the Circuit Court is being
 bias pre-judge against me. Using his
 Circuit Court power in a personal way
 he don't want me out because I told him about
 the drugs in the group home, and I told him
 that the matt the group home director at
 JBS, had another patient to set other patient
 up by getting them to smoke dope with him
 Then he goes back to the nurse and tell them
 that other patient or ~~is~~ smoking drugs
 Then that give the matt to the right to hold
 them and get longer room a ~~board~~ board out
 of the patient funs, I ask god to forgive me
 for cause a man death ~~but~~ but he were in the wrong
 I can't live around ~~now~~ drugs that's what cause
 me to kill that man. So I went to court in mobile,
 I thought that they were going to let me go home,
 but the matt took me to a Circuit Court to try and
 get the Judge to make or order me to give my
 social security over to them. But the Judge in
 mobile Circuit Court knew he could not do that.
 and after that the matt told me he were going
 to get the Judge to lock me up, and that's
 what he did, so ~~um~~ back here in Bryce hospital
 because I wouldn't pay room and board UNLAWFULLY.
 I will never used drugs again, and I've the right
 to be treated in a lawful group home or half way home
